
A Message from our General Manager/CEO

Basin Electric Power Cooperative takes great pride in its ability to assist in developing rural leadership in our region through our scholarship program.

The Basin Electric Power Cooperative Scholarship Program is designed to recognize and encourage the achievements of the children of employees of the Cooperative and its subsidiaries, and children of member-cooperative employees and consumers.

The Scholarship Program is administered and conducted by the Basin Electric Power Cooperative Human Resources Department. Winners are selected by a scholarship selection committee. Awards are granted without regard to race, color, religion, sexual orientation, gender, disability or national origin.

Since the scholarship program began, over 4,300 young people in the Basin Electric system have benefited from this program. I wish all applicants the best. We have high expectations for your success in the future.
